EARTH TO CA KC MAKES KC LOOK BAD BY HER CRIMINAL MIND SET & BEHAVIOR imo, THIS IS THE WHOLE PROBLEM WITH THESE NUTS CA is too spineless to say: "I'm glad you were prosecuted for your theft, you have been a liar & a thief for years, now you are a Felon X's 6, I hope it made an impression on you." BUT NO CA validates that KC is again, the victim, blaming her LYING STEALING behavior on the Prosecutor's making "KC LOOK BAD," not that they MADE KC RESPONSIBLE CA is in need of severe intervention, imo, she continues to validate the lies KC has told, KC stills loathes CA, she just needs to SHUT UP imo There will be NO HIDING who the Anthony's really are during the Trial, they continue to deny the facts imo.
