There are a lot of Black women that go 2 weeks or more without shampooing and their hair smells awful Have you ever been standing behind someone on an elevator with “stank head”?

Nauseating.

buy levofloxacin tablets

The first measure, known as Senate Bill 167, would make drug offenders who have already served two-thirds of mandatory-minimum sentences eligible for parole something that they currently cannot seek, unlike rapists, armed robbers, and child molesters, who are not subject to mandatory minimums
