However, by that time, Ranbaxy had launched its generic esomeprazole in tablet form (on 5 September 2011) and AZ itself had teamed up with Arrow Generics to sell Nexium in Arrow packaging as an equivalent to a branded generic

fluticasone propionate nasal spray buy online

The authors wrote: "Changing behavior of doctors and their patients is notoriously difficult, but the findings [of the study] emphasize that the time has come to shift our attention away from tablets as the default option for managing chronic musculoskeletal pain... Non-pharmacological treatments work, are safe, and have benefits that reach beyond the musculoskeletal system."
